

## LONG PASTA FAMILY

The pastas that made Pierino's famous: Our delicious spaghetti, whole egg spaghettini and whole egg fettucine, all made from the finest semolina flour and high-grade whole farm-fresh eggs. Pierino's long pastas are the cornerstone of outstanding and popular Italian dishes in fine restaurants, as well as thousands of American homes. Leading chefs know that fresh-frozen Pierino's long pasta makes a texture and flavor difference that customers can taste – and delivers a quality that they can trust.

Pierino's long pastas are available in a variety of sizes and packaging configurations. Most are available in our popular "MVP" (multivac poly bag) for the ultimate in fast preparation and product consistency: Pasta can be microwaved for thirty seconds, sauced, plated, and sent to the table.

• PRE-COOKED

Pierino can also manufacture and package custom long pasta to meet specific requirements – if you don't see what you want, just ask.
