

# PASTA SHEET FAMILY

Your lasagna and other unique pasta sheet creations need the freshest, most delicious basic ingredients – and Pierino pasta sheets are the right place to start. Available in flat, smooth, and wavy varieties, our fresh-frozen pasta sheets are made from the finest quality grains and whole eggs according to the traditional Pierino's family recipe that made our company famous.

Pierino's pasta sheets are individually sheeted for optimum ease in preparation and use, separating easily without damage. Signature ridges in flat pasta sheets retain sauce and help dishes maintain their form when cut. Flat, smooth, and wavy varieties can be combined in dishes for your own unique look. Individually packed in 4 oz. and 5 oz. sizes (10 lb. bags).

- **FRESH FROZEN**
- **PRE-COOKED**

Pierino can also manufacture and package custom sheet pasta to meet specific requirements – if you don't see what you want, just ask.
